

COLOR LABORATORY, INC.

210 West 65th Street, New York 23, N. Y. • TR 3-1919

Dear Mr. Producer:

For 10 years we have been specializing in 35mm Color Filmstrip, Slide, and Stereo reproduction... the one and only film processing laboratory serving the Producer, EXCLUSIVELY, with complete facilities under one roof.

What's more...

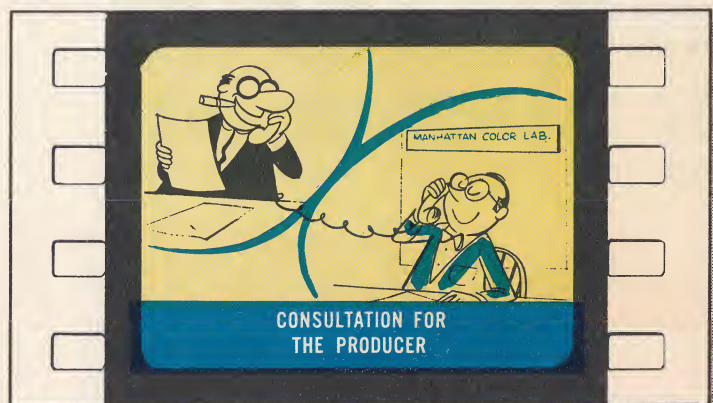

Our staff of skilled technicians working with the very latest equipment insures that you will receive the Finest Master Negative and Answer Prints possible... and WE GUARANTEE EVERY FOOT OF RELEASE PRINTING to match the quality of your approved answer print.

Proof?

Just send us a few pieces of art and transparencies to shoot, or send a short negative for us to develop. We will provide you with a test print FREE OF CHARGE! Remember you are under no obligation. This is our opportunity to prove once more that our quality and service is unsurpassed. Why not give us a try...

YOU BE THE JUDGE!
